

## The City of Boise, Department of Aviation Announces New Deputy Director of Operations

BOISE, ID – Alex Everman, C.M., has been named the new Deputy Director of Operations for the Boise Airport (BOI) and will manage airport operations, security, technology, custodial and airport operations teams, creating strategies in alignment with the airport’s shared values, business initiatives, policies, and objectives. Mr. Everman began his new position January 16, 2018.

Boise Airport is a joint civil-military airport three miles south of Boise, Idaho. The airport is operated by the city of Boise Department of Aviation and is overseen by an Airport Commission.

Mr. Everman most recently served as Deputy Director of Aviation for Eagle County Regional Airport (EGE) where he was responsible for all operational, administrative and facilities related activities. During his tenure with EGE, he also served as Interim Director of Aviation and Airport Operations Manager. Previously, he worked for Colorado Springs Airport (COS) as Senior Airport Operations Agent, Henderson Field/Midway Atoll Airport (MDY) as Airport Operations/ARFF Officer and Pullman-Moscow Regional Airport (PUW) as Airport Operations/ARFF Training Officer and Crew Leader. Mr. Everman received a Bachelor of Arts degree in Social Science from Washington State University and a Master of Business Administration from the University of Phoenix. He is a Certified Member (C.M.) of the American Association of Airport Executives.

Alex Everman, C.M.  
Deputy Director, Operations

“Boise is a progressive airport on the cusp of transitioning from a small hub to a medium hub airport. Such success is attributable to the culture and dedication of the BOI team, and I believe that my leadership style and experience are an ideal match for the Deputy Director of Operations position. Boise’s vision and core values solidified my decision to join the phenomenal team,” said Mr. Everman.
