

The Burbank-Glendale-Pasadena Airport Authority Announces New Director of Engineering

BURBANK, CA – The Burbank-Glendale-Pasadena Airport Authority has appointed Anthony DeFrenza as Director of Engineering. In this role, he is responsible for planning, engineering, and construction activities for the airport, including the managerial supervision of staff and technical oversight of consultants. Under direction from the Deputy Executive Director, he is also responsible for developing and recommending projects and incorporating them into the long range capital improvement planning for the airport. Mr. DeFrenza began his new position April 4.

Anthony DeFrenza

Hollywood Burbank Airport (BUR) is a public airport three miles northwest of downtown Burbank, in Los Angeles County, California. Located on 550 acres, Hollywood Burbank Airport is the closest L.A.-area airport to the majority of L.A.'s most popular tourist destinations, as well as attractions in nearby Glendale and Pasadena. The Airport is owned by the Burbank-Glendale-Pasadena Airport Authority, controlled by the governments of those cities.

“I can’t imagine a more exciting time to join the team at the Hollywood Burbank Airport,” said Mr. DeFrenza. “To be able to contribute to the development of the landmark terminal replacement project, which will improve the experience at an airport everyone already loves using, is a dream come true.”

Mr. DeFrenza worked for Parsons as a Project Manager where he worked on the Intermodal Transportation Facility which is a component of the Landside Access Modernization Program at Los Angeles International Airport (LAX). He also served as Engineering Manager and Commissioning Compliance Manager with Kiewit Infrastructure West Company and as Structural Design Engineer with Tetra Tech. He earned a Bachelor of Science in Civil Engineering from the University of California, Los Angeles. Mr. DeFrenza is a Registered Professional Engineer in California (PE).
