The Airport

Charlotte Douglas International Airport (CLT) is a City of Charlotte department comprised of more than 600 full - and part-time employees.

CLT serves as an enterprise fund and uses no local tax money to pay daily operating costs. Revenue generated by the airport, including parking, concessions, landing fees, rental cars, advertising, cargo, fixed-base operator and airline rentals, pays for airport operations.

As the 6th busiest airport in the nation and second largest hub to the world's largest airlines, American Airlines, CLT serves approximately 46.4 million passengers each year.

CLT offers nonstop service to 178 destinations, including 37 international locations and three U.S. territories, averaging 1,400 daily arrivals and departures.

The Airport *(continued)*

Charlotte Douglas remains one of the fastest growing airports in the country with a keen eye toward the future. Destination CLT, a \$3.1 billion development plan, kicked off in 2015. It includes construction of the elevated roadway, terminal expansions, concourse renovations and a fourth parallel runway to meet immediate growth demand. At CLT we like to say, “We’re Building an Airport Fit for the Queen,” in a city also known as the Queen City.

Touted as an economic engine of the Carolinas, CLT contributes \$23 billion to the local region and generates \$5.7 billion in personal income and \$1.1 billion in state and local taxes each year.

CLT management oversaw a \$154.7 million operating budget in fiscal year 2018. At the helm of the strategic leadership team are the aviation director/chief executive officer, chief operating officer, chief business and innovation officer, chief financial officer, lead counsel and a team of directors, senior and middle managers.

The management team at Charlotte Douglas follows six core strategic principles: Safety and Security, Customer Focus, Strategic Growth, Asset Preservation, Value Employees and Strong Partnerships.

Historically, CLT is revered within the aviation industry as an exceptional value by providing a cost effective and reliable platform for its airline business partners. CLT’s \$1.50 net cost per enplaned passenger is among the lowest for large hub airports in the country.

CLT boasts a 1.8-million square foot terminal with 5 concourses, 114 gates and more than 100 concessions.

Charlotte Douglas is located approximately seven miles from the city’s central business district in uptown Charlotte. It occupies 6,000 acres of land located within the city and is accessible within minutes from Interstate 85, Interstate 77 and Interstate 485.
