

The Omaha Airport Authority Announces New Operations Manager

Matt Aubry, C.M.

OMAHA, NE – Following a nationwide search, the Omaha Airport Authority has selected Matthew (Matt) Aubry, C.M., to be the new Operations Manager at Eppley Airfield (OMA) and Millard Airport (MLE). Aubry began his new position on September 12.

In his new role, Aubry is responsible for the management of Airport Authority operational programs for Eppley Airfield and Millard Airport, as well as Operations Supervisors, who are on duty 24 hours per day/7 days per week. He will also be called upon to ensure compliance with airport certification requirements as specified by the Federal Aviation Administration in Federal Aviation Regulation Parts 77 and 139.

Aubry's professional career includes employment as an Operations Specialist at the Peoria International Airport and as an Airport Operations Coordinator at General Mitchell International Airport in Milwaukee, Wisconsin, a position in which he has served since 2010.

Aubry has a Bachelor of Science degree in Aviation Management from Southern Illinois University, and Master of Public Administration degree from the University of Illinois. He is also a Certified Member (C.M.) with the American Association of Airport Executives and a private pilot.

This search was conducted by ADK Executive Search, a retained executive search firm specializing exclusively in searches for the aviation community.
