

The Rock Springs – Sweetwater County Airport Board Announces New Appointment for Airport Manager

Devon Brubaker, A.A.E.

ROCK SPRINGS, WY – The Rock Springs – Sweetwater County Airport Board has named Devon Brubaker, A.A.E., as the new Airport Manager at the Rock Springs – Sweetwater County Airport (RKS). He is scheduled to start with RKS at the beginning of May, 2015.

In his new position, Brubaker will be responsible for the oversight and administration of all facets of Airport owned facilities, including day to day operations of the airfield, oversight and operation of the FBO, creation and implementation of long range plans and objectives, and interaction with a variety of private and governmental entities and individuals.

Brubaker brings over 9 years of increasingly responsible airport management experience to his position at RKS. Most recently, he served for five years as the Airport Operations & Maintenance Supervisor at the Dayton International Airport. Prior to that, he held positions at the Charlotte Douglas International Airport and the Harrisburg International Airport.

“I am honored and excited to have been selected to lead the Rock Springs Sweetwater County Airport,” said Brubaker. “The Rock Springs Sweetwater County Airport has great potential to grow airline service and improve general aviation services. I look forward to working with the Airport Board, Airport staff, and the community to ensure the Airport becomes a first class facility and a catalyst for economic development in the region.”

“We are extraordinarily pleased to have Devon Brubaker on board,” said Dr. Sigsbee Duck, Chairperson of the Airport Board. “We are very excited about the experience and leadership he will immediately bring to our facility.”

Brubaker holds a Bachelor of Science degree in Aviation Management from the University of Dubuque, a Master of Aeronautical Science degree from the Embry-Riddle Aeronautical University, and is an Accredited Member (A.A.E.) with the American Association of Airport Executives (AAAE).
