

## The Port of Seattle Announces New Airport Dining and Retail Senior Manager

Lionel Vincenti

SEATTLE, WA – Following a nationwide search, the Port of Seattle has selected Lionel Vincenti to be the new Airport Dining and Retail Senior Manager at the Seattle-Tacoma International Airport.

In his new role, Vincenti will lead the Airport Dining and Retail (ADR) program at Seattle Tacoma International Airport in order to maximize non-aeronautical revenue, provide an exceptional customer experience for the traveling public, ensure quality operations of existing businesses and support the creation of jobs through the development of new leasing opportunities.

Additional functions will include providing direction to the ADR team regarding operational issues, lease management and compliance, tenant relations, marketing of the program, environmental initiatives, technology initiatives, and customer service and leading the development of sales and revenue forecasts as well as analysis of current financial performance.

Vincenti brings over 17 years of management and retail experience to his new position leading complex retail and food and beverage operations for world class tourist destinations in both Europe and the U.S. He has worked with large retail brands such as Victoria's Secret and Sephora, and hospitality brands including Disneyland Parks & Resorts in Paris, France, and Universal Studios Parks & Resorts, where he was involved in billion dollar capital project expansions.

Vincenti has a Bachelor of Arts Degree in Business Administration from Paris-East University in Paris, France.

This search was conducted by ADK Executive Search, a retained executive search firm specializing exclusively in searches for the aviation community.
