

Mineta San José International Airport Announces New Appointment – Deputy Director of Aviation, Finance and Administration

Kim Hawk

San José, Calif. – Kim Hawk will join [Mineta San José International Airport](#) (SJC) as Deputy Director of Aviation, Finance and Administration starting April 14, 2014.

Hawk will serve as the top financial executive of the Airport and will be responsible for the financial health of the organization. In this role, she will plan, organize and direct the financial, business and property management functions of SJC. Hawk will also review and implement policies and procedures to ensure the integrity of all revenues and expenditures, and to maintain the efficiency and completeness of the Airport's finance and business operations.

She has over 25 years of experience in finance, most recently as the Vice President, Finance – Global Business Units at the Oracle Corporation, where she led a team of 60 finance professionals globally and was responsible for reporting, forecasting, and budgeting for a \$1 billion consulting group consisting of 4,000 consultants.

Prior to the 15 years she spent at the Oracle Corporation, Hawk served in various financial roles, including senior positions at Compaq Computers and Deloitte and Touche.

Hawk will replace Terri Gomes, SJC's Deputy Director of Aviation, Finance and Administration, who will retire in January 2015 after successfully serving the Airport for the past 20 years. Kim and Terri will work together to share the vast and valuable institutional knowledge necessary for a smooth transition.

"With her many years of experience and knowledge of financial management, Kim is an important addition to our senior leadership team. The perspective she brings from the private sector will strongly contribute to SJC's priority of achieving financial sustainability," said Acting Assistant Director of Aviation John Aitken. "We are especially pleased that Kim will work closely with Terri Gomes over the coming months to share City, Airport and industry best practices and knowledge to achieve a seamless transition."

"The San José International Airport is in the heart of Silicon Valley, boasting a beautiful, state-of-the-art facility," said Hawk. "I'm thrilled to be joining the team supporting this impressive organization."

Hawk received a BS in Accounting from the California State University, Fresno, and is a Certified Public Accountant.

About Mineta San José International Airport

Mineta San José International Airport (SJC) is Silicon Valley's airport, a self-supporting enterprise owned and operated by the City of San José. SJC served 8.8 million passengers in 2013, a 5.9 percent increase year-over-year, and was the second fastest growing medium hub airport in the US. SJC offers approximately 130 daily flights on 13 domestic and international carriers to 29 nonstop destinations.

SJC's five-star customer service experience sets it apart from other Bay Area and US airports. Airlines and passengers respond positively to SJC's customer amenities, including modern terminal buildings, free and fast WiFi, comfortable seating with built-in power outlets, a luxurious VIP lounge that is open to all travelers and a rental car center conveniently located across from the terminals. Silicon Valley's airport is located in San José, California's third largest city and the nation's tenth largest city. For more airport information, visit www.flysanjose.com.
