

Kenton County Airport Board Announces Director, Asset Management

The Kenton County Airport Board has selected Aaron Davis, IAP, CM, PMP as Director of Asset Management for the Cincinnati/Northern Kentucky International Airport. In this position, he will conduct, manage and program airport infrastructure condition assessments to plan for refurbishments, retrofits, upgrades and/or replacements into the future. Mr. Davis will also establish inspections, recommend preventive maintenance programs, and conduct condition assessments that allow for maximum sustainability and energy management, ensuring efficient operations and reliability.

Aaron Davis, IAP, CM, PMP
Director of Asset
Management

Mr. Davis has a strong background in asset management and airport management. He worked as Senior Asset Manager, Planning & Development for Hartsfield-Jackson Atlanta International Airport since 2014 and was Asset Management Planner from 2013 to 2014. He was Project Controls Manager for the Metropolitan Atlanta Rapid Transit Authority from 2012 to 2013 and Project Controls Engineer from 2006 to 2013.

“It is most certainly an honor to join the CVG team,” said Aaron Davis. “As an Ohio native, returning to the Cincinnati area allows me to once again call Ohio home. I am appreciative of the opportunity to lead the Asset Management Division and look forward to further advancing the field of asset management within the aviation industry. CVG put it best, ‘It’s time to embrace what’s next.’”

Mr. Davis has a Bachelor of Business Administration in Operations Management from the University of Cincinnati. He is an International Airport Professional (IAP), a Certified Member (CM) of the American Association of Airport Executives and a Project Management Professional (PMP). Mr. Davis received the “Top 40 under 40” Award in 2016 from Airport Business Magazine.
