

The City of San José's Aviation Department Announces New Deputy Director of Planning and Development

Drew Niemeyer

SAN JOSE, CA – The City of San José's Aviation Department has selected Drew Niemeyer as Deputy Director of Planning and Development for Norman Y. Mineta San José International Airport (SJC). In this role, Mr. Niemeyer will lead a wide range of professional and paraprofessional team members who perform a variety of multi-discipline airport projects in the Airport Capital Development Program. He began his new position in June 2019.

Mr. Niemeyer brings more than 25 years of experience in capital programming, federal funding, and program development with fiduciary responsible hands-on airport and commercial construction & program management experience. Most recently, Mr. Niemeyer was a Senior Project Manager with Parsons, Inc. where he was responsible for construction and delivery of landside projects associated with the new passenger terminal at MEX New International Airport. He has also worked for PM Technologies, Inc., Mendoza & Associates and The Walsh Group.

Mr. Niemeyer earned a bachelor's degree in Aerospace Studies from Embry-Riddle Aeronautical University.

This national search was conducted by ADK Consulting & Executive Search, a retained executive search firm.
