

The Indianapolis Airport Authority Announces New Project Manager II

**Emmanuel
Maldonado, C.M.**

INDIANAPOLIS, IN – The Indianapolis Airport Authority has selected Emmanuel Maldonado, C.M., as Project Manager II. Mr. Maldonado’s primary role is to provide project management for planning, architectural, engineering, and construction projects. He began his new position on September 9, 2019.

Mr. Maldonado most recently worked as an Aviation Planner for RS&H where he developed land use plans, created alternative concepts for the highest/best use of airport property and funds, and conducted airspace analysis for spaceport certification. He has also worked for AECOM, GDA Engineers and Airports Worldwide at Orlando-Sanford International Airport.

Mr. Maldonado earned a bachelor’s degree in International Studies & Political Science from Virginia Military Institute. He also earned a master’s degree in Aviation Management from Embry-Riddle Aeronautical University. Additionally, Mr. Maldonado served as a member of the United States Marine Corps.

This national search was conducted by ADK Consulting & Executive Search, a retained executive search firm.
