

The Metropolitan Nashville Airport Authority Announces New Assistant Vice President, Human Resources

Karisse Spray, PHR

NASHVILLE, TN – The Metropolitan Nashville Airport Authority (MNAA) has named Karisse Spray the new Assistant Vice President, Human Resources. In this role, she is responsible for creating and implementing Human Resources and organization development strategy; developing, communicating, and maintaining HR policies, procedures, and work instructions as well as assisting and coaching MNAA managers/ supervisors concerning HR-related issues.

Ms. Spray brings more than 11 years of experience in the field of Human Resources. Most recently, she worked for Automated Data Processing (ADP) as Human Resources Business Partner. From 2006 to 2015, she was Director, Human Resources for Physician Practice Support, Inc.

Ms. Spray received a Bachelor of Science in Psychology from Middle Tennessee State University and a Master of Business Administration from Trevecca Nazarene University. She received her Professional in Human Resources (PHR) certification and her Certified Professional designation from the Society for Human Resources Management.

The Metropolitan Nashville Airport Authority was established in 1970 and owns and operates Nashville International Airport (BNA) and John C. Tune Airport (JWN).

This national search was conducted by ADK Consulting & Executive Search, a retained executive search firm.
