

The City of Naples Airport Authority Announces New FBO Manager

NAPLES, FL – The City of Naples Airport Authority has named Michael Hushek the new FBO Manager for the Naples Municipal Airport (APF) to manage and plan all FBO activities including aircraft servicing, ground handling, office/flight support facilities, ramp management, personnel and office administration associated with airside flight line activities. This includes the servicing of general aviation, military and commercial service aircraft with fuel and oil, and other services including but not limited to baggage and cargo handling.

Michael Hushek

"I am enthusiastic to join a team of accomplished aviation professionals. To work with such a remarkable group of employees who are so passionate about being a top contending FBO is an honor. I am truly proud to be a part of this community and the Naples Airport Authority," said Mr. Hushek.

Mr. Hushek brings more than 15 years of experience as an aviation manager, 10 of those years as an FBO manager. Most recently he worked for Hillsborough County Aviation Authority as an Airport Operations Specialist. He has also served as Vice President of FBO Services with Dynamic Aviation Services and FBO Manager with Avantair. Mr. Hushek has a Bachelor of Science degree in Aviation Administration from Lewis University.
