

Lamar Airport Advertising Company Announces New Project Manager

Niki Jackson

FRISCO, TX – Lamar Airport Advertising Company has appointed Niki Jackson as a new Project Manager. In this position, Ms. Jackson will manage a variety of the company's airport advertising projects. She began her new position in February 2019.

Founded in 1902, Lamar Advertising brings significant stability and corporate resources to its Airport advertising division, with the support of its nearly 800 local offices, regional and national sales professionals who sell and manage over 325,000 digital and static displays on billboards, airports, and transit agencies across the U.S. and Canada. The company currently has partnerships with 23 airports, including Las Vegas McCarran, Dallas Love Field, Phoenix Sky Harbor, John Wayne Orange County, and Salt Lake City.

Ms. Jackson has over 15 years of construction project management. She most recently served as Construction Project Manager for SSC Service Solutions at Texas A&M University. Previously, she was Senior Construction Project Manager with Axiom Construction Services. She also worked for the Houston Airport System as Construction Project Manager and for the Dallas Housing Authority.
