

The England Authority Announces New Executive Director

Sandra McQuain

ALEXANDRIA, LA – The England Authority has appointed Sandra McQuain as the new Executive Director for the England Airpark/Alexandria International Airport (AEX). She began her new position Dec. 3, 2018.

Ms. McQuain brings more than 20 years of leadership experience in both the public and private sectors. Her extensive background includes business expertise in both service-oriented and product-based companies as well as government operations. Ms. McQuain most recently served as the Chief Operating Officer for Baker Manufacturing Company. She has also worked as Senior Vice President of Marketing and Operations for Zephyr Associates, Inc. and was a founding member and managing partner of Howell McQuain Strategies LLC.

“England Airpark has a remarkable and successful history,” said Ms. McQuain. “This is a great opportunity. I think our mission and our vision are as relevant today as they were 26 years ago. This is a great opportunity to begin writing the next chapter in our story. I am ready and prepared to lead this organization to fulfill that mission. All I can say is we have a great adventure ahead of us and I can’t wait to see where the runway takes us.”

Ms. McQuain received a bachelor’s degree in Business Administration from the Northwest University and a master’s degree in Business Administration from Trevecca Nazarene University.
