

Lee County Port Authority Announces New General Aviation Director

FORT MYERS, FL – Lee County Port Authority has named Scott Sheets the new General Aviation Director to plan, direct and coordinate the day-to-day business for Page Field Airport (FMY) and Base Operations in accordance with applicable federal, state, and local policies, procedures, and regulations. Page Field is located just south of downtown Fort Myers serving the business and general aviation market. More than 300 aircraft – including jet, turboprop, single- and twin-engine planes and helicopters - make FMY their full-time home.

"For 19 years Page Field has been my home away from home. During my tenure, the airport has grown, evolved, and prospered due to the hard work and dedication of our organization, as well as the unyielding support from our tenants and customer base. I am honored to serve as director and look forward to an even greater future for Page Field," said Mr. Sheets.

Mr. Sheets brings more than 18 years of progressive leadership experience at Page Field. For the past five years, he has served as Senior Manager, Maintenance and Operations. He has also served as Senior Manager, General Aviation. Mr. Sheets is an Airport Certified Employee (ACE) in Airport Operations through the American Association of Airport Executives.
