

The Port of Oakland Announces New Airport Operations Manager, Landside (Terminal & Passenger Services)

Stacy Mattson, C.M.

OAKLAND, CA – The Port of Oakland has appointed Stacy Mattson as the new Airport Operations Manager, Landside (Terminal & Passenger Services). In this position, Ms. Mattson is responsible for managing the daily 24-hour operation of the Aviation Terminal Services Department at the Oakland International Airport (OAK). She will oversee Airport Terminal Management, Passenger Services, and Airport Custodial Services. She began her new position Nov. 26, 2018.

Ms. Mattson brings 18 years of progressively responsible management experience in airport business and operations. She worked for the Port of Seattle, Sea-Tac Airport from 2001 and served as the Manager of Airport Landside Operations beginning in 2007. Other positions include Airport Parking Program Manager and Administrative Supervisor, Airport Operations.

“I am thrilled to join the team at OAK, who along with ADK, demonstrated such professionalism throughout the recruitment process,” said Ms. Mattson. “I look forward to the opportunity to collaborate with our business partners and serve the Bay Area residents and visitors with a great airport experience.”

Ms. Mattson received a bachelor’s degree in Organizational Management from the Northwest University and a master’s degree in Business Administration from the University of Washington. She is a Certified Member (C.M.) of the American Association of Airport Executives and currently sits on the Airport Ground Transportation Association Board.
