Spokane Airports Announces New Project Manager

SPOKANE, WA – Spokane Airports has named Colin Hayden as Project Manager for Spokane International Airport (GEG) and Felts Field (SFF). In this position, Mr. Hayden will be responsible for construction and project management of multiple public works, planning, construction and environmental projects and manage facilities improvements projects in multiple buildings. He began his new position on April 5, 2021.

Colin Hayden

Mr. Hayden brings more than twenty years of experience in construction, design and project delivery. Most recently he worked as Project Manager for the Port of Vancouver, where he had a key role in the delivery of the \$251 million West Vancouver Freight Access Project which received the 2020 American Society of Civil Engineers (ASCE) Honor Award. He has also worked for MacKay Sposito and the City of Vancouver, Washington.

“I am excited to the join the GEG team because of the professionalism and extensive knowledge embedded within the organization,” said Mr. Hayden. “Our team supports each other and tailors their own strengths to grow the entire team. GEG is more than an airport; we are an economic engine, powering development and growth within our region. It is exciting to have the opportunity to help shape this vision into a reality.”

Mr. Hayden earned his bachelor’s degree in Environmental Science from the Washington State University.
