The Kenton County Airport Board Announces New Vice President of Maintenance & Asset Management

CINCINNATI, OH – The Kenton County Airport Board has named Timothy Haizlip as Vice President of Maintenance & Asset Management for the Cincinnati/Northern Kentucky International Airport (CVG). He will be responsible for overseeing the maintenance and security of Airport facilities, airfield and all associated infrastructure of CVG. Mr. Haizlip has 27 years of facilities management and operations experience in the airport and aviation industry. He begins his new position on April 5, 2021.

Timothy Haizlip, C.M.

“I am honored to have been chosen to fill the role of Vice President, Maintenance and Asset Management for the Cincinnati/Northern Ky. International Airport,” said Mr. Haizlip. “Despite this extremely challenging time in our industry, CVG has continued on a path of tremendous growth and I am very much looking forward to joining such a high performing organization and humbled by the opportunity to serve as leader of a team of dedicated maintenance professionals. CVG is where I began my career so long ago and I am thrilled to be returning home.”

Mr. Haizlip most recently worked for the Gerald R. Ford International Airport Authority, where he served as Director of Maintenance. In this role, he provided oversight of the day-to-day operations of all maintenance departments for the airport and managed capital improvement projects. Previously, Mr. Haizlip was the Building Management Administrator for San José International Airport and Director of Maintenance for the Louisville Airport Authority.

Mr. Haizlip earned his bachelor’s degree in History and a master’s degree in Public Administration from Northern Kentucky University. He is a Certified Member (C.M.) of the American Association of Airport Executives.
