HSS invites applications for

Vice President of Aviation and Government Services

Denver, Colorado

Executive Search Services Provided by ADK Consulting & Executive Search

About the Company

HSS specializes in managed security services in both physical and virtual high-risk environments – keeping the excitement out of security since 1967. We partner and serve with organizations in healthcare, aviation, government, oil and gas, schools, and other settings where safety and security are top of mind. With nearly 3,500 highly knowledgeable security and support staff, HSS protects its partners and communities through healthcare technology management, integrated security services solutions, and an ingrained ability to assess and de-escalate situations in physical security.

The combination of our experience and the way we deliver it through Our Agnostic Approach helps our customers stay calm and focused on what they need to do to keep their enterprises running smoothly. Headquartered in Denver, Colorado, the company provides services nationally and maintains a presence in most states. HSS is one of only a few companies to have earned the Department of Homeland Security's SAFETY Act designation and certification. More information about HSS can be found at hss-us.com.

HSS Business Philosophy

Everything we do at HSS is guided by our Mission, Core Values, and Vision. Beyond specific education and job training, every HSS employee is versed to do his or her job in accordance with these principles.

About the Company *(continued...)*

Safe in the knowledge

The Denver Community

Since its Wild West beginnings, Denver has attracted people from a variety of cultures.

The rich ethnic history and diverse cultural heritage of the city are celebrated with several events throughout the year, from the nation's largest Cinco de Mayo celebration in the spring to the Longs Peak Scottish Irish Festival in the fall. The historically rich African American Five Points neighborhood is home to the Black American West Museum while the Museo de las Americas hosts some of the world's top contemporary artists from Latin America.

Denver is packed with festivals, special exhibitions, concerts, and outdoor adventures. Cheer on the Colorado Rockies at Coors Field, watch a spectacular sunset from City Park or listen to a concert under the stars at Red Rocks. And for those who enjoy a good bike ride, you can explore Denver's 85 miles of paved, off-street bike trails.

Denver's neighborhoods are alive with tasty chef-owned restaurants, art galleries and one-of-a-kind boutiques. Whether you visit RiNo, LoDo, LoHi, Uptown, Five Points, Cherry Creek, Highlands, the Golden Triangle, South Gaylord, South Pearl or Antique Row, you will find outdoor cafes, bookstores, artists, big name shopping, brewpubs and a wide assortment of restaurants serving all cuisines.

The Mile High City also has world-renowned museums and the second-largest performing arts complex in the nation, with a wide selection of Broadway theater, opera, ballet, and symphony performances.

Despite its 21st century leanings, Denver still retains a good deal of its Old West legacy. Around every corner, you'll find some remnant of the pioneer era, from the Denver Art Museum's collection of iconic Western art to the final resting place of Buffalo Bill, high atop Lookout Mountain.

The Denver Community

The Denver Community

For those who enjoy the outdoors, Denver's Mountain Park system is unique, comprised of 14,000 acres of scenic beauty in the nearby Rockies. Gaze at a buffalo herd, mountain bike at Winter Park Resort, hike trails amidst red sandstone monoliths at Red Rocks Park – they're all part of the city of Denver.

For the foodie, Denver is home to several gourmet markets! Check out Avanti F&B, a former print shop turned upscale food hall; Central Market, which features 11 vendors and common seating; The Source, an artisan market located in a former ironworks foundry; and Stanley Marketplace, a community hub created out of a former aviation manufacturing facility. For a taste of the Old West, try some buffalo, a Denver specialty made into steaks, burgers, and hot dogs.

Enjoy a good game? Denver is Sports Town, U.S.A., with an astonishing seven professional sports teams and six sports stadiums. Denver's teams include the Super Bowl 50-winning Denver Broncos (football), the Denver Nuggets (basketball), the Colorado Rockies (baseball), the Colorado Avalanche (hockey), the Colorado Rapids (soccer), the Colorado Mammoth (indoor lacrosse) and the Denver Outlaws (outdoor lacrosse).

The Position

The Vice President of Aviation and Government Services reports to the Head of Operations and is responsible for providing leadership and strategic direction to management staff and assigned personnel. Provides a clear vision and direction in growing the Aviation and Government Services section of HSS to include an increase in contracts and personnel. Develops methods and means to build and strengthen name recognition for HSS in the industry. Provides industry subject matter expertise in day-to-day operations and maintains strong working relationships with all stakeholders and customers. In addition, is responsible for the effective management of personnel in their job-related duties and professional growth. Develops cohesive teams and supports a strong culture of teamwork and customer service.

Additional essential duties include directing departmental leadership staff to ensure standards are being met, oversight of contract compliance, negotiating new and existing contract details, meeting with stakeholders, leading the preparation and oversight of departmental budgets and providing sound and effective management oversight.
