The Port of Seattle Appoints Sarah Cox as Director, Aviation Environment and Sustainability

SEATTLE, WA – The Port of Seattle has named Sarah Cox as Director, Aviation Environment and Sustainability. In this role, Ms. Cox will work closely with leadership and stakeholders of Seattle-Tacoma International Airport (SEA) to integrate environmental and sustainability initiatives into and across all airport activities. The Port’s mission is to become the greenest Port in North America. Ms. Cox began her new position on August 8, 2022.

Ms. Cox has worked for the Port of Seattle for more than 20 years, starting her career as an intern. Ms. Cox was promoted to Senior Environmental Program Manager and then to Senior Manager. She has been serving as the Interim Director since April 2022.

Ms. Cox earned her bachelor’s degree in Environmental Health from the University of Washington.

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 170 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 130 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
