### **The City of Charlotte Appoints Sonya Williams, PMP, as Technology Services Officer**

CHARLOTTE, NC – The City of Charlotte has named Sonya Williams, PMP, as Technology Services Officer. In this position, Ms. Williams will ensure the effective operation of information technology (IT) infrastructure throughout all life-cycle phases to meet the business needs of Charlotte Douglas International Airport (CLT). She began her position in June 2022.

Ms. Williams has been serving in the role of Interim CLT Airport Technology Services Officer. An IT professional with experience in leading multimillion dollar projects, she brings a strong background in executive technical leadership, development, integration, and governance. Prior to holding the interim position, Ms. Williams was the Aviation Technology Systems Manager for CLT. She has also worked for the Charlotte Mecklenburg Police Department, Mecklenburg County, and several private companies.

"It is an honor to be a part of the Charlotte Douglas International Airport team," said Ms. Williams. "I look forward to making positive contributions to the organization."

Ms. Williams earned her bachelor's degree in Psychology from the University of North Carolina and her bachelor's degree in Computer Science from North Carolina Agricultural and Technical State University. She went on to earn her master's degree in Public Administration from the University of North Carolina. She is certified as a Project Management Professional (PMP) and earned her Yellow Belt Lean Six Sigma.

**ADK Consulting & Executive Search** is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 170 U.S. airports that have utilized the company's consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 130 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries. ADK is also affiliated with the international executive search firm, The Kilpatrick Group, in Lugano, Switzerland.
