Conrac Solutions Appoints James Gill, A.A.E., as Chief Financial and Administrative Officer

SEATTLE, WA – Conrac Solutions, consolidated rent-a-car facility developer, operator and financier, announced that James R. Gill, A.A.E., has been appointed as Chief Financial and Administrative Officer, effective Jan. 9, 2023.

“We are looking forward to having Jim’s talent, expertise and experience on board,” said Conrac Solutions’ CEO Michael Minerva. “He brings a wealth of knowledge to the team in the areas of leadership and finance along with a strategic and fiscally conscience approach to the current and future rent-a-car industry and airports CS serves through the Tenant Development Approach.”

James Gill, A.A.E.

Mr. Gill joins Conrac Solutions on the heels of his most recent role as General Manager of New Jersey airports for the Port Authority of New York and New Jersey during which he oversaw operations and management of Newark Liberty International Airport and Teterboro Airport. Previously, he served as President and CEO of Gerald R. Ford International Airport and COO and CFO for Allegheny County Airport Authority (Pittsburgh International and Allegheny County Airports).

“I am pleased to join Conrac Solutions,” Mr. Gill said. “I believe CS has an effective business model and a talented leadership team which uniquely qualifies them to deliver effectively at the intersection of the rent-a-car industry, airports and infrastructure.”

Mr. Gill brings more than two decades of experience to his role at Conrac Solutions, where he’ll oversee operational functions including finance, human resources, information technology and administration with responsibility for financial performance, compliance and capital and operating budgets. He is an Accredited Airport Executive (A.A.E.) with the American Association of Airport Executives and is accredited as an International Airport Professional (IAP). He earned his bachelor’s and master’s degrees in Business Administration from Duquesne University.

About ADK Consulting & Executive Search

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 180 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 140 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
