### **The City of San José Aviation Department Appoints Rosalyn Bond as Deputy Director of Operations**

SAN JOSÉ – The City of San José Aviation Department has named Rosalyn Bond as Deputy Director of Operations for the Norman Y. Mineta San José International Airport (SJC). As a member of the Airport’s executive management team, she will oversee and manage Airside Operations, Landside Operations, Terminal Operations, Security Operations, and Emergency Management. She began her position on July 10, 2022.

**Rosalyn Bond, A.A.E.**

Ms. Bond has worked for SJC for more than 23 years, serving as the Interim Deputy Director of Operations for the past several months. She began her career at SJC as an Airport Noise intern and most recently was Airside Operations Manager. Ms. Bond gained a great deal of experience in all areas of Operations from her roles as Security Manager, Facilities, Airside and Terminal Management Superintendent, Airport Operations Supervisor in Landside, and Airside position with five years as Manager on Duty.

“SJC truly is an amazing place to work and such a collaborative environment where we all join together to solve any problem we encounter,” said Ms. Bond. “The past few years have been hard on us all, but we’ve all worked together through so many changes over the years, and I’m happy and excited to move up and play a bigger part in SJC’s ongoing success.”

Ms. Bond earned her bachelor’s degree in Aviation Operations from San Jose State University and went on to receive her master’s degree in Business Administration. She is an Accredited Member (A.A.E.) of the American Association of Airport Executives and has a private pilot’s license.

**ADK Consulting & Executive Search** is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 170 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 130 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries. ADK is also affiliated with the international executive search firm, The Kilpatrick Group, in Lugano, Switzerland.
