### **TBI Airport Management Appoints Stephanie Sosa as Manager of Operations and Maintenance**

ONTARIO, CA – TBI Airport Management has named Stephanie Sosa as Manager of Operations and Maintenance for Ontario International Airport (ONT). In this role, Ms. Sosa will lead and direct all airport operations and maintenance activities. She began her new position on September 1, 2022.

Ms. Sosa has worked for TBI Airport Management for 14 years, during which time she has held positions as a supervisor and manager for Airside Operations, Communications Center, Terminal Operations, Landside and Ground Operations. In addition to her work at ONT, she has also worked at Hollywood Burbank Airport.

“I am thrilled to develop and lead my team with this new promotion,” said Ms. Sosa.

Ms. Sosa earned her bachelor’s degree in Criminology, Law and Society from the University of California. She is a Certified Member (C.M.) of the American Association of Airport Executives.

**ADK Consulting & Executive Search** is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 170 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 130 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
