### **The Shreveport Airport Authority Appoints Larry Blackwell as Director of Airports**

SHREVEPORT, LA – The Shreveport Airport Authority has named Larry Blackwell as Director of Airports for the Shreveport Regional Airport (SHV) and the Shreveport Downtown Airport (DTN). As Director of Airports, Mr. Blackwell is the chief executive officer of the Authority and is fully responsible for directing the activities and operations at SHV and DTN. He began his new position on September 6, 2022.

Mr. Blackwell started his airport career at SHV as Operations Safety Specialist. He went on to become the Airport Manager for Minden Airport and Victoria Regional Airport. Mr. Blackwell most recently served as Airport Operations Manager for Montrose Regional Airport and Hopkins Field Airport in Colorado.

Mr. Blackwell earned his bachelor's degree in Professional Aeronautics from Embry-Riddle Aeronautical University. He is a commercial pilot and former member of the Louisiana Army National Guard.

**ADK Consulting & Executive Search** is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 170 U.S. airports that have utilized the company's consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 130 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
