The City of Redding Appoints Ken Griggs, C.M. as Assistant Airports Manager

REDDING, CA – The City of Redding has named Ken Griggs, C.M., as Assistant Airports Manager for the Redding Municipal Airport (RDD) and Benton Field (O85). In this role, Mr. Griggs will be responsible for airport security programs, operations and safety, contract management and compliance with federally regulated aviation programs. Mr. Griggs will begin his new position on October 24, 2022.

Mr. Griggs brings over 20 years of experience in the airport operations and security field, most recently serving as Airport Operations Manager for Monterey Regional Airport. In that role, Mr. Griggs was responsible for rewriting the airport's Airport Security Plan and assisting in the planning of the Airport's Master Plan to develop operational protocols for project management on selected capital projects. Mr. Griggs has also worked for Bob Hope Airport as Airport Operations Supervisor.

Ken Griggs, C.M.

Mr. Griggs said that he is excited to join the RDD team's growing organization, and he looks forward to helping with their strategic goals while building fruitful working relationships along the way.

Mr. Griggs earned his bachelor's degree in Industrial Technology from the California State University. He is a Certified Member (C.M.) of the American Association of Airport Executives.

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 170 U.S. airports that have utilized the company's consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 130 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
