The Truckee Tahoe Airport District Appoints Jeff Menasco as Director of Aviation

TRUCKEE, CA – The Truckee Tahoe Airport District has named Jeff Menasco as Director of Aviation for Truckee Tahoe Airport (TRK). Reporting to the General Manager, Mr. Menasco will manage the day-to-day operations for TRK. He began his new position on January 30, 2023.

Mr. Menasco brings 12 years of executive level leadership in operations and aviation to this position. He recently retired from the United States Air Force, most recently serving as Air Mobility Command, Deputy Director of Operations at Scott Air Force Base in Illinois. In that position, he led 11 headquarter divisions, 15 operating locations and more than 500 people.

Jeff Menasco

“After serving more than 28 years in the Air Force, I couldn’t be more excited to join the team at the Truckee Tahoe Airport (TRK),” said Mr. Menasco. “We’ve moved all over the world and look forward to re-establishing roots in northern California near our family. The opportunity to leverage my background and passion for aviation at TRK is the perfect match for my next professional chapter. One of the unique aspects of TRK is their robust engagement supporting the local community and I can’t wait to further advance this relationship.”

Mr. Menasco received his bachelor’s degree in International Relations from California State University. He went on to earn his master’s degree in Military Operational Art and Science from Air Command and Staff College and his master’s degree in National Security Studies from the National War College.

About ADK Consulting & Executive Search

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 180 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 140 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
