King County, Seattle Announces Airport Operations and Compliance Manager

SEATTLE, WA – King County, Seattle has named Sean Moran, C.M., as Airport Operations and Compliance Manager for King County International Airport – Boeing Field (BFI). As Airport Operations and Compliance Manager, Mr. Moran will be a member of the Airport Leadership team and will oversee the Airport’s passenger terminal, ramps and gates, and other Airport facilities. Mr. Moran began his new position on December 10, 2022.

Mr. Moran is currently the Airport Manager for Livermore Municipal Airport where he is responsible for the administration of all daily airfield activity. Previously, Mr. Moran was the Airport Operations Supervisor, Manager-On-Duty for the Norman Y. Mineta San José International Airport. He has also worked for Hayward Executive Airport and Ventura County Department of Airports.

“I am very excited to join the highly talented and diverse team at King County International Airport which is reflected through the professional nature and appearance the airport provides to the surrounding community,” said Mr. Moran. “The airport handles every aspect of aviation, ranging from light general aviation to small commercial air service as well as flight testing/delivery for commercial airliners. It is a dream airport for an av geek like me.”

Mr. Moran earned his bachelor’s degree in Aviation Management from California State University. He is also a Certified Member (C.M.) of the American Association of Airport Executives (AAAE) and is Chair of the AAAE Young Professionals Committee. Mr. Moran is also very involved with the Southwest Chapter of AAAE.

About ADK Consulting & Executive Search

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 170 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 130 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
