The Port Authority of New York and New Jersey Names Edelana Van Marter, A.A.E., IAP, as Deputy General Manager for Newark Liberty International Airport

NEWARK, NJ – The Port Authority of New York and New Jersey has named Edelana Van Marter, A.A.E., IAP, as Deputy General Manager for Newark Liberty International Airport (EWR). Reporting to the Airport General Manager, Ms. Van Marter will be responsible for the management and strategic oversight of the airport. She began her new position on April 1, 2023.

Ms. Van Marter brings 17 years of increasingly responsible experience in aviation and airport management. Most recently she was Commercial Development Manager for Neste US Inc. where she coordinated a sustainable aviation solution across a variety of company functions, including internal and external stakeholders. She has also worked for the Houston Airport System as Director of Transportation and prior to that as Operations Lead. She has held the position of Assistant General Manager at George Bush Intercontinental Airport and William P Hobby Airport.

Edelana Van Marter, A.A.E., IAP

“I am excited to join the team of aviation professionals at the Port Authority of New York and New Jersey,” said Ms. Van Marter. “I am looking forward to working with the great team that manages Newark Liberty International and Teterboro airports. I hope to contribute towards the mission to keeping the region moving with integrity, collaboration, speed, diversity, inclusion, and global best practices.”

Ms. Van Marter graduated from the University of the Philippines with a bachelor’s degree in Economics. She went on to earn a master’s degree in Development Studies from the International Institute of Social Studies of Erasmus University and a master in Business Management from the Asian Institute of Management. She is an Accredited Member (A.A.E.) of the American Association of Airport Executives as well as a past member of the Board of Directors of the organization. She is also accredited as an International Airport Professional (IAP).

About ADK Consulting & Executive Search

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 180 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 140 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
