The City of El Paso Names Shane Brooks as Assistant Director of Aviation Development

EL PASO, TX – The City of El Paso has named Shane Brooks as Assistant Director of Aviation Development. In this position, Ms. Brooks will be responsible for managing and directing El Paso International Airport (ELP) development, construction and maintenance operations. She began her new position on February 19, 2023.

Ms. Brooks has worked for The City of El Paso for the past 10 years, most recently serving as Capital Improvement Program Administrator. In that role, she managed the airport's rolling 5-year \$178M Capital Improvement Program (CIP). Previously, she was Construction Superintendent Civil Engineer for ELP and managed CIP projects. Ms. Brooks has also worked for Tetra Tech and Parkhill Smith & Cooper Inc. as a Civil Engineer.

Shane Brooks

“El Paso International Airport is a special place and I’m very lucky I get to continue my career at my hometown airport,” said Ms. Brooks. “We have a team of great people working towards the airport’s continued success. The future is full of opportunities for growth and change, and I’m happy to lead the team from my new position as the Assistant Director of Aviation Development.”

Ms. Brooks received her bachelor’s degree in Civil Engineering from New Mexico State University. She was a 2020 award winner of the Airport Business Top 40 Under 40.

About ADK Consulting & Executive Search

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 180 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite airport positions including over 140 airport CEOs and airport directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
