The Clark County Department of Aviation Announces New Commercial Business and Development Manager

LAS VEGAS, NV – The Clark County Department of Aviation has named Tony Haas Commercial Business and Development Manager to manage the concessions program for Harry Reid International Airport (LAS). In this role, Mr. Haas will oversee retail, food and beverage, advertising, gaming, lounges and passenger services. He began his new position on October 16, 2023.

Mr. Haas has a strong background in property management, air service development, parking and leasing. Most recently, he worked for the City of Santa Barbara, Aviation Department as Manager, Aviation Properties. In that role, he supervised the areas of property management, air service development, parking, and marketing. Previously, he was Real Estate Asset Manager for Gray & Associates and Director of Property Management for The Haas Group. He also worked for Miami-Dade Aviation Department as Aviation Property Manager II.

Tony Haas

“I am excited to join the team at LAS and look forward to serving our passengers and stakeholders in the region,” said Mr. Haas.

Mr. Haas earned his bachelor’s degree in Political Science/Economics from the University of Miami. He went on to receive a master’s degree in International Business from Saint Thomas University.

About ADK Consulting & Executive Search

ADK Consulting & Executive Search is a retained consulting and search firm based in Jacksonville, Florida. Founded in 2003, the company performs Executive Searches, Management Consulting, and Organizational Development. ADK has worked with over 190 U.S. airports that have utilized the company’s consulting services including executive searches, organizational development, strategic planning, succession planning, board consultation and more. After starting in aviation/aerospace, ADK has expanded into other public sector industries including cities and counties, ports and transit as well as private sector companies and consulting firms.

ADK has filled more airport senior executive positions than any other search firm and has placed hundreds of C-Suite positions including over 160 CEOs and directors. Additionally, the company has placed CEOs for national and state associations in aviation and transportation industries.
