### **ADK Completes Search for The Metropolitan Airports Commission**

ADK Consulting and Executive Search, a retained consulting and search firm based in Jacksonville, Florida, assisted in the successful placement of Christopher Roy as Director, Airport Development – Project Delivery. In this position, Mr. Roy will lead the administration and successful delivery of development projects as part of the Capital Improvement Program (CIP) at the Minneapolis-Saint Paul International Airport (MSP) and the Reliever Airports. He will also oversee project scheduling, budgeting, and execution, ensuring that each project meets the highest standards of quality, safety, and compliance. Mr. Roy began his new position on March 18, 2025.

Mr. Roy has extensive experience in program management, multi-modalism, project development and project management. Most recently, he was the Assistant Division Director for the Minnesota Department of Transportation (MnDOT). He was responsible for leading eight regional multidisciplinary teams in delivering MnDOT's program and constructing projects on time and on budget and championing project management enhancements across the organization.

Mr. Roy received a bachelor's degree in civil engineering and a master's degree in infrastructure systems from the University of Minnesota. He is a Professional Engineer.
