### **ADK Completes Manager, Airfield Operations Recruitment for The Niagara Frontier Transportation Authority**

ADK Consulting & Executive Search, a retained recruitment firm known for its expertise in senior executive searches in the aviation industry, announced it has completed its Manager, Airfield Operations search for The Niagara Frontier Transportation Authority. Bradley Wheeler will lead and oversee key operational and maintenance functions to ensure safe, compliant, and efficient airfield activity at Buffalo Niagara International Airport (BUF).

Mr. Wheeler has a strong background in aviation administration, operations, maintenance, security, and public safety. He most recently was Assistant Airport Manager for Marquette Sawyer Regional Airport in Michigan where he oversaw operations, maintenance, and public safety staff in addition to handling projects such as terminal modifications and airfield improvements. Previously, Mr. Wheeler served as Airport Operations Officer for Evansville-Vanderburgh Airport Authority District, handling operational inspections, emergency ARFF response, airport credentialing, and escorting.

"Buffalo Niagara International Airport is renowned for its exceptional airfield operations and maintenance teams," said Mr. Wheeler. "I am excited to join this nationally recognized team that performs at such a high level, even in challenging winter weather conditions. It is gratifying to be selected to contribute to the strong reputation of BUF's airfield department. I look forward to getting to work and ensuring an efficient, safe, and secure airfield for the greater Buffalo and Niagara Falls communities!"

Mr. Wheeler holds a bachelor's degree in airport management from the University of North Dakota. He is a Certified Member (C.M.) of the American Association of Airport Executives and is a private pilot.
