ADK Partners with The Delaware River and Bay Authority to Recruit Assistant Director of Airport Operations

ADK Consulting & Executive Search, a retained recruitment firm known for its expertise in senior executive searches in the aviation industry, announced the successful placement of Alicia Miranda, C.M., as Assistant Director of Airport Operations. In this role, Ms. Miranda will serve as a key leader overseeing the day-to-day management of multiple Authority-owned or operated airport facilities. She will also provide strategic and tactical support in planning, budgeting, and policy implementation.

Ms. Miranda brings more than fifteen years of aviation education and work experience with nearly seven years in senior level airport management positions. Most recently she served with the California Air National Guard as Airfield Management & Civil Engineering Project Manager where she developed project advanced planning and programming documents for several major airfield and facilities projects including scoping, cost estimates, justifications, charrette reports, and economic analysis. She has also worked for the City of Fresno Airports Department as Airports Operations Manager, administering an \$18.5M operating budget and a staff of 65 in a two-airport system.

In addition, Ms. Miranda served as Airport Duty Manager for Boeing Field King County International Airport and Airport Operations Officer for Fresno Yosemite International Airport.

Ms. Miranda received a bachelor's degree in Aviation Management from Metropolitan State University of Denver. She is a Certified Member (C.M.) of the American Association of Airport Executives.
