Spokane Airports Works With ADK to Recruit Project Manager

ADK Consulting & Executive Search, a retained recruitment firm known for its expertise in senior executive searches in the aviation industry, announced the successful placement of Jordan Bowen as Project Manager for Spokane International Airport (GEG) and Felts Field (SFF). In this role, Mr. Bowen will lead complex airside and landside capital improvement initiatives that strengthen airport infrastructure, safety, and long-term operational performance.

Mr. Bowen is an engineering professional with more than five years of experience managing multimillion-dollar infrastructure programs and coordinating cross-functional teams in federal and private sectors. Most recently, he was Civil Engineer/Program Manager with the Federal Aviation Administration (FAA). In that position, he supported the Airport Improvement Program (AIP), capital planning, PFC funding and airport development projects. His experience includes reviewing grants, engineering plans, construction documents and contracts to ensure technical and regulatory compliance. Prior to the FAA, he gained engineering experience in project design, value engineering, cost analysis and fabrication processes with Accra-fab, Inc. and OceanGate Inc.

Jordan Bowen

Mr. Seeley earned a bachelor's degree in Mechanical Engineering from Washington State University. He is a Certified Member (C.M.) of the American Association of Airport Executives.
